INTRODUCING: DAILY GLOW BOTANICAL FACE SERUM

A lightweight, universal face serum to address all your skin concerns this summer.

OY-L's new powerful botanical serum delivers optimal results through proven ingredients straight from nature – to bring you hydrated, healthy, and vibrant skin. Used as part of your daily skincare ritual, Daily Glow Botanical Face Serum leaves your skin supple and balanced. With potent ingredients to stand the test of time, you'll uncover a soft, dewy finish and even-toned complexion.

Everyone will be asking what you're using.

BOTANICAL LUXURY IN A BOTTLE:

- **Non-comedogenic oil base** for deep hydration without clogged pores
- **Free from chemicals and preservatives** to know exactly what's on your skin
- **Brightens and softens skin** to reveal clear, glowing, emollient texture and tone
- **Creates a protective barrier** against free radicals, oxidative stressors, and sun damage
- **Silky, non-greasy finish** absorbs effortlessly into skin for layering products
- **Refreshing, long-lasting moisture retention** for flawlessly aging skin
- **Soothing botanicals** to fight inflammation while reducing redness and dry patches
- **Nature-powered formula** balances skin microbiome and oil production for healthy skin

NOT TO MENTION:

- **Plant-based, vegan formula** to keep our animals safe and healthy
- **Water-Free production** means more value for your money and your skin
- **Sustainable sourcing, packaging, and shipping** to protect nature's resources

Founder Andrea Pierce-Naymon

[I WANT OY-L'S LATEST RELEASE!](#)

Over a year in the making, founder Andrea Pierce-Naymon wanted to create a face serum that was light, non-comedogenic, and effective for everyday use. Her loyal customers have been begging for a serum in her product lineup. OY-L's new Daily Glow Face Serum delivers. Her newest product provides **lightweight but potent nourishment** for summer months when your skin naturally produces more oil.

Not only is Daily Glow ideal for warmer months, but it's also designed to support skin health **year-round**. Layer it under your OY-L Face Cream for an extra boost during winter months when you have dry, parched skin.

MEET THE INGREDIENTS: SUPER-POWERED BY NATURE

→ Tremella Mushroom Extract

Also known as Snow Mushroom, this is the **powerhouse ingredient** in our serum. A vegan alternative to hyaluronic acid that requires no water in production. This means our serum is potent, undiluted, and pure for optimal results.

This superfood mushroom is recognized as an ancient Chinese beauty secret that is quickly gaining popularity in western skincare. For centuries it's boasted the ability to create glowing, smooth skin. In China, it's consumed as a food and treasured topically for its widely known benefits.

Studies have shown tremella mushroom extract holds moisture as well as or even better than its popular counterpart, hyaluronic acid, due to smaller molecules that can penetrate the skin barrier more easily.

As a superfood rich in nutrients, tremella mushroom benefits the skin in a multitude of forms, promoting a healthy, radiant, and youthful glow.

[+ Learn More Botanical Benefits](#)

→ Hemp Seed Oil

Cold-pressed from the seeds of the hemp plant, containing no THC – *not to be confused with CBD oil, pressed from the flower and leaves*. This versatile, nutrient-packed oil is the perfect base for OY-L's Botanical Serum due to its many skin **nourishing and hydrating** benefits.

[+ Learn More Botanical Benefits](#)

→ Red Raspberry Seed Oil

Cold-pressed from red raspberry seeds, this oil contains an abundance of beneficial fatty acids and vitamins that encourage healing. It's got impressive abilities to soothe and **balance the skin's complexion** and **reduce blemishes**.

[+ Learn More Botanical Benefits](#)

→ Rosehip Oil

Harvested from the seeds and fruit of the Rosa Canina Rose Bush commonly found in Chile. Loaded with essential fatty acids and skin-nourishing vitamins, it provides **superior hydration** to keep cell walls strong, and skin bright, taught, and firm.

[+ Learn More Botanical Benefits](#)

→ Licorice Extract

Taken from the root of the licorice plant, this powerful extract is a safe, vegan alternative to hydroquinone for **brightening and toning the skin** for a luminous glow.

[+ Learn more Botanical Benefits](#)

→ Sacha Inchi Oil

Extracted from the seeds and fruit of a Peruvian plant in the Amazon Jungle that contains essential omega fatty acids for optimal skin health. These nutrients aren't naturally produced by our bodies but work wonders for **soothing and strengthening the skin**.

Glowing Reviews

See what our customers are saying about OY-L Daily Glow Botanical Face Serum.

"A must-have in your skincare routine"

This face serum is a great addition to my skincare routine. After cleansing, I use it alone to keep my face feeling moisturized in the summer months. My face has a healthy glow so much so that I can feel confident not wearing any makeup. Thanks for another great product!

-Eileen R.

"WOW, just WOW!"

I've been using the serum for a couple of weeks now and am noticing a beautiful difference in my skin... it's much more smooth and soft!

Thank you for being a company that strives for excellence while using natural products!

-Joanna B.
